Report of Health Officer

Through the cooperation of the Division of Maternity, Infancy and Child Hygiene of the N. H. State Board of Health, and Joanna M. Carter, R. N., State Nurse, together with local agencies, two clinics were held at the Nichols Memorial Library and one at a local doctor's office.

At these clinics children were inoculated against diphtheria, tetanus and whooping cough.

Local school children also participated in the nation-wide tests of the new polio vaccine.

There have been an unusual number of childhood diseases this past year, particularly measles.

Through the cooperation of the State Board of Health and the Water Pollution Board, water in the swimming area at the local beach was tested for pollution, and found to be safe for swimming. It is hoped to continue this practice each year.

Secretary's Report — American Red Cross

CENTER HARBOR BRANCH

July 1953 to July 1954

Two meetings of the Red Cross were held during the past year, one on April 29 and one July 12. At the April meeting it was reported that the Roll Call Drive had gone well over the quota of the town.

At the annual meeting in July the following officers were elected for 1954-55: Chairman, Mrs. Bertrice Obert; Vice-Chairman, Mrs. Ethel Hughes; Secretary, Mrs. Dorothy MacAllister; Treasurer, Mr. Herbert Martin.

Mr. Robert Goodwin was hired as lifeguard for nine weeks during the summer months. Classes in swimming and lifesaving were held five days a week from ten to twelve and one-thirty to five. Besides this Mr. Goodwin was on duty each Saturday and Sunday. A demonstration of what the children had learned plus graduation exercises were held at the close of the season.

The hospital bed and crutches have been used during the past year. An attempt was made to start a home nursing and a first aid course but due to lack of interest this was not carried out.

The Red Cross is again supplying vitamin pills for the school children during the school year of 1954-55.

Respectfully submitted,
DOROTHY F. MacALLISTER

Report of Forest Fire Warden

Howdy, folks. This is your friend, Smokey the Fire Prevention Bear talking for Raymond Kelley, your local forest fire warden. You know how he is always asking you people to take it easy with fire in the woods? Well, he wants you to know that forest fires decreased last year. He knows it did rain some but it was the help of all you people who are giving their time and money and carefulness to prevent this shameful waste of our woodlands. But please remember this, folks, forest fires still do a lot of damage each year. And we got to work and work to whittle them down to our size. So when you're around forest areas, crush out your cigarette, hold your match till it's cold, drown your campfire and drown it again. If you have to burn grass or brush or rubbish, ask about the law first, also get your permit from your warden and last, have plenty of help handy. Please remember a permit is required for all open fires whether in an incinerator or on a piece of plowed ground. Your local forest fire warden will help you in your burning problem and he is as close as your telephone. Please call him.

Each year forest fires destroy enough sawtimber to build all the homes in a city of one-half million people.

Each year forest fires eat up enough sawtimber to make ties for 50,000 miles of railroad tracks.

Each year forest fires destroy enough pulp-size trees to provide a 12-month supply of newsprint for every newspaper in the United States.

Remember . . . Only You Can Prevent Forest Fires

School District Warrant

To the Inhabitants of the School District in the Town of Center Harbor, qualified to vote in District affairs:

You are hereby notified to meet at the Town House in said District on the 29th day of March 1955, at 3:30 o'clock in the afternoon, to act upon the following subjects:

(Polls for election of officers to be open not later than 4:00 and closed not earlier than 9:00. Other Warrant articles to be acted upon beginning at 8 P. M.)

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To see if the District will vote to approve the recommendation of the supervisory union board in providing for a guidance counselor for the schools of the union for the coming year, in cooperation with the Federal government, at an estimated cost of \$118.50 as this District's share.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to appoint a committee consisting of the school board, the selectmen, and three members chosen by the Moderator, to investigate the proposal of forming a cooperative district consisting of Center Harbor and Moultonboro, and to report at the next regular or special school district meeting.
10. To see if the district will vote to appropriate a sum not to exceed \$4,000 to purchase and install an adequate heating system in the school building.
11. If the preceding article is voted in the affirmative, to see how much, if any, of the appropriation shall be raised by taxation at this meeting and how much shall be borrowed on short term notes on the credit of the district, payable in not more than four years.
12. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
13. To transact any other business that may legally come before the meeting.

Given under our hands at said Center Harbor this 11th day of February 1955.

Minutes of 1954 Annual School Meeting

The 1954 Annual Meeting of the School District of Center Harbor was called to order at eight p. m. at the Town Hall, Wednesday, March 3, 1954, by the Chairman of the School Board, Sylvester W. Rand.

Article 1. L. Keith Matheson was elected to serve as Moderator and was duly sworn in.

Article 2. L. Keith Matheson, Moderator read the Warrant in its entirety and asked for nominations for Clerk. Athalie Rand and Lucile Matheson were nominated for this office. The Moderator appointed Sylvester Rand to act as teller and the following results were announced:

Total number of votes 40

Athalie Rand 35

Lucile Matheson 5

Twenty-one votes being necessary for a choice, Athalie Rand was elected as Clerk and duly sworn in.

Article 3. It was voted to have the Clerk cast one ballot for Mr. John Jewett to serve as a member of the School Board for the ensuing three years. He was declared elected.

Article 4. It was the vote of the meeting that the Clerk cast one ballot for Carrie Kelley to act as Treasurer for the ensuing year. She was declared elected.

Article 5. It was voted that the salaries of the School Board, Truant Officer and other agents of the district remain the same as last year.

Article 6. A report was given by the committee appointed in the Annual School Meeting of 1953 to represent the Center Harbor School District on the matter of a Co-operative School. No further reports were given at this time other than those already found in the Town Report.

Article 7. It was voted that the Town Auditors act as the Auditors for the School District. Mr. Irving Brown made the motion that the remainder of this article be tabled until the conclusion of Article 12. The motion was seconded and carried.

Article 8. The motion was made and seconded that the budget of the School Board be accepted and the estimated amount of \$25,308.50 be raised for the year of 1954-55. The vote was in the affirmative.

Article 9. The Moderator announced the discussion of this article would precede the motion. A lengthy discussion followed in which the School Board and voters participated. Mr. Almon Bushnell, Supt. of Schools, was given permission by the voters to speak in answer to the many questions raised. At the termination of the discussion, Mr. Irving Brown made the motion that the School District vote to petition the State Board of Education to become a part of a cooperative school district, comprising Center Harbor and Meredith to provide for the educational needs and services of all elementary and secondary school children. At the suggestion of Sylvester Rand, School Board Chairman, Mr. Brown amended his motion. The amendment reading—"and that this vote be made by ballot and a majority vote rule." Action was first taken on the amendment and it was voted that the amendment be accepted. The entire motion was then made and seconded. The Moderator appointed the Clerk and Chairman of the School Board to pass the ballots to all qualified voters. After a period allowed for voting the Clerk passed the ballot box and the votes were collected. A recess was then declared by the Moderator while the results of the vote were determined. The Moderator and the Clerk counted the votes and made the tabulation. The meeting was again called to order and the following results were read by the Moderator:

Number of votes cast	60
In favor of motion	31 (yes)
In opposition to motion	29 (no)

A majority vote being final the Center Harbor School District will petition the State Board of Education to become a part of a cooperative School District of the region comprising Center Harbor and Meredith to provide for the educational needs and services of all Elementary and Secondary school children.

Article 10. Clyde Brown nominated Ruth Hale and W. Irving Brown to serve as representatives on the Interim Committee. The nominees were unanimously elected.

Article 11. It was voted that the School District adopt a non-partisan ballot system for the election of District Officers to take effect at the regular meeting of 1955.

Article 12. Article number 7 which had been tabled until this time was reconsidered but there were no further committees to appoint.

The meeting was adjourned at ten thirty-five p. m.

Clerk

Minutes of Special School District Meeting

October 5, 1954

L. Keith Matheson, Moderator for the School District of Center Harbor called the meeting to order at eight p. m. in the town house on October 5, 1954. Athalie Rand, Clerk of the School District, was present to record the minutes of the meeting.

The Warrant was read and the following action was taken:

Article 1.

John Dennis made the motion that the School District of Center Harbor vote to petition the State Board of Education to become a part of a cooperative school district of the region comprising Meredith, Center Harbor, Ashland, Holderness, Moultonboro and Sandwich, to provide for the educational needs of all pupils in grades 7 through 12.

The motion was seconded by John McAllister.

Approximately an hour of discussion followed at the end of which the Moderator announced if there were no further discussion the previous question would be moved and the vote taken by ballot. There was no further discussion and the group unanimously manifested their readiness for the vote to be taken.

Mr. Maurice Chase made the motion that the town's checklist be used in the voting. Lester Swinnerton seconded the motion. This motion was voted in the affirmative.

Mrs. Bertrice Obert and Mr. Leon Manville would supervise the checklist of the town.

The moderator appointed John Jewett and Athalie Rand to act as tellers.

Ballots were passed and the polls declared open. After all had voted who were eligible and cared to—the polls were declared closed by the Moderator. The vote was tabulated as follows:

No. of votes cast (as reported by Checklist Supervisor) ..	66
No. of votes cast (as reported by tellers)	66

The Moderator therefore declared that the School District of Center Harbor would petition the State Board of Education to become a part of a cooperative School District of the

region comprising Meredith, Center Harbor, Ashland, Holderness, Moultonboro and Sandwich to provide for the educational needs of all pupils in grades seven through twelve.

Irving Brown, Oren Collins and Robert Benoit were nominated as possible representatives to serve on the Interim Committee. There were no further nominations. Irving Brown made the motion that the vote be made by ballot. John Jewett seconded the motion. The motion was voted in the affirmative. John MacAllister made the motion that the checklist be ignored while making this vote. Sylvester Rand seconded the motion. This motion was voted in the affirmative.

The Moderator declared that the polls were open and (ballots were passed by the tellers) the district was to elect two representatives to serve on the Interim Committee. That is each voter would write the names of two of the nominees on his or her ballot for representatives.

After all had voted who were eligible and wished to—the polls were declared closed by the Moderator.

The votes were then counted by the tellers and tabulated as follows:

Number of votes cast	58
Voted for Irving Brown	41
Voted for Oren Collins	42
Voted for Robert Benoit	29

The Moderator announced that Irving Brown and Oren Collins would serve as representatives of the Center Harbor School District on an Interim Committee who shall prepare a financial budget for the operation of the proposed cooperative school district and include in the organization warrant an article calling for an appropriation for the operation of the proposed cooperative school district during the first year and such items of business as need to be acted upon at the organization meeting.

There being no further business the meeting was adjourned by the Moderator at nine thirty p. m.

Minutes of Special Meeting of the Proposed Meredith-Center Harbor School District

April 5, 1954

Dr. Arthur Pottle called the meeting to order at 8:10 p. m.—April 5, 1954—in the Meredith Town Hall, Meredith, New Hampshire. Due to the large number present it was necessary to hold the meeting in a larger building. Before action was taken on this matter, however, the Warrant was read in its entirety and prayer was offered by Rev. Francis Cooper, Pastor of the Congregational Church in Meredith.

Carl Chase, member of the Interim Committee, made the motion that the group adjourn to the St. Charles Auditorium which would more adequately care for the large number gathered and immediately continue this meeting. The motion was seconded and voted unanimously in the affirmative.

The meeting was again called to order at the Auditorium by Dr. Pottle and the following action was taken on the Warrant:

Article 1. Arthur Pottle was nominated to serve as Moderator for the ensuing year. As there were no further nominations, Irving Brown, Chm. Interim Committee, was empowered by the voice of the people to cast one ballot for this office and Arthur Pottle was duly elected.

Article 2. Athalie Rand and Blanche O'Brien were nominated for the office of clerk 'pro tem'. Mrs. O'Brien declined the nomination. There were no further nominations. W. Irving Brown was instructed by the people to cast one ballot for clerk 'pro tem' and Athalie Rand was duly elected.

Arthur Pottle, Moderator, and Athalie Rand, Clerk 'pro tem', were duly sworn in by John Ramsey, Attorney-at-law—Notary Public.

Article 3. Jane Ambrose, Member of the Interim Committee, made the motion that the district adopt the resolution as stated in Article 3 of the Warrant—"Resolved that the Meredith-Center Harbor Cooperative School District of the towns of Meredith and Center Harbor be organized and a Cooperative School District be established to provide for the educational needs and services of all elementary and secondary school children of the aforesaid school districts of Meredith and Center Har-

bor, New Hampshire, and that its date of establishment be effective as of July 1, 1954. The motion was seconded. A lengthy discussion followed at the close of which W. Irving Brown moved the Previous Question. The motion was seconded and voted in the affirmative (23 vote—by show of hands).

The Moderator again read the motion in its entirety and stated that the vote would be made by ballot as required by law. He appointed the following to act as Tellers:

From Center Harbor—

Irving Brown and Herbert Martin

From Meredith—

Marshall Hodsdon and John Ramsey

The School Boards appointed the following to act as Checkers:

From Center Harbor—

John MacAllister and Clyde Brown

From Meredith—

Beverly Martin and Marion Chase

The ballots were then passed to all eligible voters and the Moderator declared the ballot open. After all had voted who were eligible and who wished to do so, the ballot was declared closed by the Moderator.

The vote was counted and the following report submitted by the Tellers to the Moderator was read:

Number of Votes Cast	362
Necessary for Choice	182
Votes Cast in the Negative	237 (no)
Votes Cast in the Affirmative .	125 (yes)

The motion was therefore voted in the negative and the resolution as stated in Article 3 of the Warrant will not be adopted.

As this resolution was not adopted there were no further proceedings at the meeting except John Ramsey made the motion to reconsider the question and that a meeting for this purpose should not be called before six months but within two year's time of the present meeting. (In order to make this motion John Ramsey goes on record as voting with the majority on the question.) The motion was seconded and voted in the affirmative. This action makes it possible to call a special meeting of the two towns without again petitioning the State Department of Education.

Mr. Earl Welch asked that an informal vote (by show of hands) be taken of those who would be interested in consoli-

dition on the high school level. The vote showed an interest in consolidation on this level.

It was the unanimous vote of the assembly that their appreciation be realized on being allowed to hold this meeting in the St. Charles Auditorium and that this expression of appreciation be recorded in the minutes.

The meeting was adjourned by the Moderator at 10:35 p. m.

Supervisory Union Report

FINANCIAL

The union budget for the 1955-56 school year is apportioned among the six districts in this manner:

<i>DISTRICT</i>		<i>Supt's Salary</i>	<i>Travel, Sec- retary & Other Exp.</i>	<i>Guidance Director</i>
Ashland	(23.56%)	\$1,060.20	\$1,313.47	\$ 589.00
Meredith	(34.9 %)	1,570.50	1,945.67	872.50
Center Harbor	(4.74%)	213.30	264.26	118.50
Holderness	(13.34%)	600.30	743.70	333.50
Moultonboro	(12.02%)	540.90	670.12	300.50
Sandwich	(11.44%)	514.80	637.78	286.00
Total		\$4,500.00	\$5,575.00	\$2,500.00

The superintendent's salary this year is \$6,300, of which \$3,800 is collected from the six local districts and the balance of \$2,500 is paid by the state.

PROPOSED GUIDANCE PROGRAM

The item of a guidance director, at an estimated cost of \$2,500, is to be matched by an equal sum from a Federal appropriation. For two years the union board has been considering the need for the services such a person could perform. Since this is a new service, however, the state law provides that each district must vote separately on this under a special article in the warrant.

A guidance director is of specific help and counsel in various fields. On the elementary level, he can direct remedial work with children who are emotionally upset or who need assistance in their learning processes; and he can help the eighth graders choose their high school courses wisely and get a confident and successful start in high school.

On the secondary level, our high school teenagers often fail to find themselves, vocationally and socially. Helping our high school boys and girls to realize their abilities and limitations and steering them into the right field of further study or of positions in business and industry is an invaluable service which the guidance director can render for our youth.

Most of our cities provide a guidance director as part of their regular staff. Small towns cannot afford to do this, but on a union-wide basis the cost would be reasonable. The Epping-Newmarket union started such a plan two years ago; it has proved very popular there, and several unions in Vermont and Maine have also reported good results from this type of service.

Our principals and teachers have in many cases been extremely helpful in guidance work. However, I feel that we need a counselor who has special training for this work, and who could devote his entire time to it. He would also counsel with teachers and principals, to assist them to do better what they are already attempting. I recommend the employment of a guidance director as an excellent investment in better education.

PROPOSED COOPERATIVE HIGH SCHOOL

Since last year's report, an active effort has been made to form a cooperative district for grades 7 through 12, for the districts in this union. Such a plan should relieve the crowded conditions existing in most of our schools, and at the same time create a school large enough to provide a curriculum which would be impossible in any one of our three separate small secondary schools.

The towns of this union have been approved by the state board of education as constituting a unit of suitable size and property valuation. Three of the districts have already voted on the question of joining; the other three districts will take action on the matter at the 1955 annual meeting, or at a later special meeting called for the purpose.

The accompanying map shows the extent of the proposed larger district, and indicates a possible location which is approximately central, based upon a study of pupil-miles of necessary transportation. The actual location would have to be determined by vote of the district, or by a committee chosen by the voters.

The original plan contemplated a building to house grades 7 through 12, starting with about 600 pupils. An architect's sketch was prepared for such a building, but the estimated cost exceeded our bonding limit. It seems possible, however, to provide a central high school for grades 9 - 12 (about 400 pupils at the start) within our means. This would mean that the cooperative or union board could maintain a central senior high school in the new location, and separate junior high school units (one in Ashland and one in

Meredith at least—perhaps others if it should seem best).

New England people are traditionally conservative, and it always seems easier to vote “no” on any proposed change. However, it is a proven fact that the smaller the school, the greater the cost per pupil. Hundreds of communities throughout our nation have found the larger district a practical means of improving their educational facilities without unreasonable expense.

State aid for buildings, as well as some assistance from the Federal government, is being seriously considered. If funds from these sources could be made available, there is no reason why our new high school could not be one of the best in the state.

CONCLUSION

This is my last report as your superintendent, as I shall retire on August 31, 1955. Since I came in 1934 many changes have taken place. One-room schools have been replaced by new and modern buildings. School enrollments have increased; courses in shop have been added to our high schools; a good program of music education has been carried on; school nurse services and excellent school lunches are now available in every school. However, the most important part of any school program is what happens when the teacher meets the pupil day by day. All our expensive equipment, beautiful buildings, and comprehensive curricula will count for but little without devoted and capable teachers, and pupils who are willing to apply themselves and strive to improve.

These twenty-one years have been very pleasant ones to me, and I am very grateful for the fine cooperation of school boards and teachers, and the friendly spirit of the people in this union. I wish for my successor the same cordial welcome and hearty support that you have given me, and that he will feel the same thrill that I always experience when a child greets me with a smile and wave of the hand, and says, “Hi, Mr. Bushnell!”

Report of Superintendent of Schools

TEACHERS AND PUPILS

Our teaching staff this year has two new members. Mrs. Catherine LaCasse is the teacher in the primary grades (1, 2 and 3) and Louis J. Celona is our new supervisor of music.

Considerable interest and enthusiasm is being shown in music this year, as an instrumental class in band music has been organized which meets weekly under Mr. Celona's direction.

Provision for our 7th and 8th grade pupils continues to be a problem. Last year some went to Meredith and some to Moultonboro. This year, because of crowded conditions, these schools could not accept grade 7, and we have added these six pupils to Mrs. Bickford's class, giving her four grades instead of three. Next year Moultonboro will have no room. Meredith will accept our twelve pupils if an extra teacher can be provided. We are faced with the alternative of opening the Town House school for a class of 12—and it seems more desirable, educationally and financially, to pay for one teacher at Meredith than to do this.

COOPERATIVE SCHOOL

Our proposal last year of a joint cooperative arrangement with Meredith for all elementary and secondary pupils was not accepted by the voters at the organization meeting. A proposal for cooperation for grades 7 - 12 is being considered, as explained in the supervisory union report, and Center Harbor has voted favorably on this item.

BUILDINGS AND GROUNDS

With some assistance from the PTA, we have provided a small activity room back of the school kitchen. This is in use much of the time—it serves as a lunch room, a place for study groups or handwork activities, and a rehearsal room. Such a place has long been needed in our school.

The heating system at our school has proved expensive and not very reliable. A proposal to replace our floor heaters with a dependable central heating system is suggested in the school warrant. An extensive remodeling such as this raises the question as to whether we are to continue to use our present quarters, to build a new school, or to make further efforts in the direction of cooperation with other districts on the elementary level. This question deserves careful study, and I suggest a committee be given this assign-

ment, perhaps to report at an adjourned meeting to vote on the warrant article.

The addition to our grounds, so generously donated to the district a year or so ago, needs plenty of work with heavy machinery to make it usable as a playground. An item of \$1,500 has been included in the budget for this purpose.

OUTDOOR EDUCATION

No aspect of educational advance has proved more satisfying to pupils, teachers and parents than outdoor education activities. In our school this April, the seventh grade plans to spend one week at Camp Sargent in Peterboro.

A few days at camp, properly directed, can be an important educational experience. It should not become just an outdoor vacation. (a) Learning and living are closely connected; direct instruction is longer remembered, and school books become more meaningful. (b) Pupils learn to appreciate parents, teachers and classmates. When lights are low, pupils are encouraged to speak from the heart. "I never realized how hard my mother has to work till I served on all the committees at camp—making breakfast, washing dishes, sweeping, gathering wood, caring for my clothes." (c) Better community relations are developed. As parents and teachers work together in planning for a week at camp—and when parents' night at camp is observed—teachers, parents and pupils grow to understand one another better. (d) Learning is stimulated. Besides direct instruction in science, nature, conservation, geography, history, etc., there is enthusiastic overflow into oral and written English. Boys who never wanted to talk to a large group before now have something they want to say. There are letters of thanks to be written, items for the newspaper, accounts to keep, etc. (e) Better relations are developed among faculty members. Outdoor education projects are a common meeting ground for teachers of physical education, of science, home economics, shop, etc.

Located as we are in one of the most beautiful spots in God's creation, it is fitting that special effort be made to bring our young people into closer contact with nature. In addition to the week to be spent while in the seventh grade, I believe it would be worthwhile for younger classes to attempt a class experience overnight or for a weekend at some suitable location near school. If two or more small groups from different schools could plan this together, it should be even more valuable.

TEACHERS' WORKSHOP

Our teachers' annual workshops are now traditional in this union. From their very inception they have been suc-

cessful, covering a wide range of subjects, such as: conservation, music, techniques in teaching reading, guidance, etc. This past November the workshop was held for three days at the Moultonboro Central School. The theme was based on Moral and Spiritual Values. At first glance, this might seem a matter for controversy and argument. Rather, it proved to be a topic of vital, current importance which drew only very healthy and constructive discussion in the various groups. On the opening morning, Rev. Mark Strickland of Manchester was the key-note speaker. All local clergy, both Protestant and Catholic in this area were invited to attend and a few of them were present and contributed much in discussion groups. Also invited were parents and PTA members. Included among our outstanding consultants were Miss Anita Petrucci and Miss Pollyanne Andem, both of whom are English teachers in the high school in Weymouth, Mass., where a program for strengthening the moral and spiritual values of pupils has been undertaken with noteworthy success. Other consultants from educational circles in our own state came from Concord, Plymouth, Holderness and Laconia. It seemed to be the consensus of opinion among our consultants and our teachers that this workshop was our "best yet."

Report of School Nurse

On the second Monday of each month several children attend the orthopedic clinic at Laconia; some have flat feet and others have back defects. These clinics are sponsored by the N. H. State Department of Health—Crippled Children's Services.

The heights and weights were recorded in May and again in September, in addition to the routine inspections.

Hearing tests are made on all children in grades 1, 4 and 7 each school year. Children having a hearing loss reported the previous year are re-checked. This testing is done with a Maico audiometer, in March and again in November.

Forty-four children were given the tuberculosis patch test in April.

We were very fortunate in having our PTA sponsor the dental program for cleaning of teeth and fluorine treatments in June.

Belknap county was selected as one area for a demonstration of the effectiveness of the special vaccination for polio with the Salk vaccine. The clinics were held May 6th and 13th and June 9th. Center Harbor was 100%—we must be real pioneers!

We greatly appreciate the donation of vitamin pills furnished by the local Red Cross chapter.

Physical examinations were finished in November by Dr. Walker. Fifty children were examined. We were grateful for the new room at the school available for these examinations. In my capacity as a school nurse, my territory embraces the towns of Holderness, Moultonboro, Center Harbor, Sandwich, Freedom, Effingham and Madison. From this area there are four known cases of children suffering from epilepsy. The Center Harbor public library now has the book, "Science and Seizures" by Wm. G. Lennox, M. D., having purchased this at my request. The State Library in Concord also has this book. This should be of interest to our parents and I recommend it highly—it should help parents and teachers better to understand the children afflicted in this way.
